

Lutsk – The Heart Of Volyn

About Lutsk

The heart of Volyn is Lutsk, one of the most ancient, mysterious and charming cities in Ukraine. It is well known for its rich history, which determined the city's appearance. Today, Lutsk manages to harmoniously combine the monumentality of Soviet architecture with the grace of ancient buildings that continue to preserve Kyivan Rus' and Medieval Europe's spirit.

Lutsk is an important centre of industry. Factories producing cars, shoes, bearings, furniture, machines and electronics, as well as weaveries, steel mills and a chemical plant are located in the area.
